Buy the full amount of yarn at one time to avoid variations in dyclots.

Check your tension

Cast on 16 sts on No 3 mm needles. Work 20 rows in stocking stitch. Cast off. The square should measure 2 in each way.

If your tension is right in stocking stitch it should be right in any other fabric.

If the square is bigger your work is too loose; try a size finer needle. If it is smaller your work is too tight; try a size larger needle.

Any alteration in needle size should be carried throughout the design.
